DETAILED ACTION

This Office Action is in response to an Amendment filed on 2/03/2006.

Currently, claims 1-5 and 8-17 are pending. Claims 18-20 have been withdrawn from consideration.

Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 18-20 directed to an invention non-elected with traverse in the reply filed on 3/4/2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

2. Claims 1-4 and 8-17 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination fails to anticipate or render obvious, the limitations of:

cutting the semiconductor wafer along the opening, as required by claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
